COMMUNICATIONS FIJI LTD STATIONS DOMINATE TEBBUTT MEDIA SURVEY

Communications Fiji LTD (CFM) announced today results from the Tebbutt Media Survey which revealed that **88.5 % of people** surveyed listened to one of their five radio stations FM96, Viti FM, Navtarang, Sargam and Legend FM over a seven day period. "This is a massive result," said William Parkinson, Managing Director, "and our team is absolutely delighted".

Surveys were conducted in November 2010 covering the Suva, Lami, Nasinu, Nausori areas and Nadi, Lautoka and Ba and focused on respondents 14 +.

"As surveys were limited to urban areas on Viti Levu, stations like FM96 benefit while vernacular stations like Viti FM, Sargam and Navtarang are disadvantaged," added Mr. Parkinson. "A wider national survey would deliver even stronger results reflecting our superior transmission coverage".

Each station is designed to focus on a particular sector and once again they all performed strongly in their respective markets contributing to the record result. "We are very careful that our stations target specific sectors of the community with the aim that combined we attract as wider audience as possible", said Ian Jackson, General Manager Fiji. "Clearly this is working!"
